

Express Ship and Quick 6™

We work very closely with our customers to communicate lead times based on approval of shop drawings, field dimensions, and color selection. We always offer quick turnarounds with our Express Ship program and even quicker turnarounds with our popular Quick 6 Program. Our goal is to deliver your compartments where you need them, when you need them. Please call the factory to obtain available colors for quickest turnaround.

Washington Express Ship Program

Our Express Ship Program offers overhead braced Phenolic core toilet partitions in two weeks or less. Other color selections are available from our other facilities.
