

## Shipping Programs Toilet Compartments

We work very close with our customers to communicate lead times based on approval of shop drawings, field dimensions, and color selection. We always offer quick turnarounds with our Express Ship program and even quicker turnarounds with our popular Quick 6 Program. Our goal is to deliver your compartments where you need them, when you need them. Please call the factory to obtain available colors for quickest turnaround.

### **Standard Shipping is shipped in 3-4 weeks**

(Please call factory for availability. Solid Phenolic Core may run up to 5-6 weeks days, 6-7 weeks from WA Facility. See color chart for standard colors)
