Holly Danger Boxed Set: Danger's Halo, Danger's Vice, Danger's Race Amanda Carlson 2019-03-20 Holly Danger Complete Set, Books 1-3 Danger's Halo (Book 1) 153 years in the future, Earth doesn't look much like it used to. Holly Danger's current assignment, gleaned from a set of foggy instructions and a handful of coin stuffed into a slot, is to pick up a street kid who's about to terminate himself off a cliff. And, as a rule, she doesn't turn down currency. Her job as a salvager keeps her fed and clothed above the norm, which isn't saying much. The norm in this city is a scrape-by existence in a post-apocalyptic world, where the rain never stops, food is always scarce, and the elite have deserted the ranks in search of something better. Picking up this urchin won't take much time, even if he's located outside city limits. Her craft is fast, her weapons deadly, and her tech has been optimized as well as it can be for a climate clogged with iron dust. But things take a big turn when she decides to become the boy's guardian instead of hand him over. Outskirts

have descended on the city, and their plans don't include playing nice. When her crew is backed against a graphene wall, it's a good thing her Gem is primed and ready to go. It's almost as deadly as she is... Danger's Vice (Book 2) Outskirts never die... After narrowly escaping death, Holly is back on the streets in a quest to find the elusive pico. Discovering what's on the quantum drive—the same one the outskirts had been willing to kill for—is priority number one. Daze is recovering, and forgiving the kid was easier than she thought it would be. The cranky outskirts is another story. It doesn't take Holly long to discover that Tandor's crew hasn't been obliterated, and are actively seeking retribution. They're recruiting Northerners, but she's found one who's willing to spill. It's a good thing, too, since things are starting to get strange. On the hunt, she stumbles on an old man dressed in a burial cloth, and witnesses a seeker wandering the streets where it shouldn't be. But after a friend gets caught up in the fray, Holly's hand is forced. She has to act fast to procure the information she needs. But what she learns is harrowing. The outskirts aren't just taking over the city—they're infecting people with Plush, and the quantum drive may hold the only key. In order to save lives, she's must find that pico. The only problem is, it might be too late... Danger's Race (Book 3) Time is running out... After defeating the uprising, and becoming infected with a dose of Plush, Holly is in a race to help a seeker before it's too late. Going South is the only option. But getting there is going to prove difficult, which is why Lockland has entrusted

Daze with a secret weapon. A pulse storm, overzealous militia, and uncooperative siblings are only a few of the obstacles standing in their way. Once they arrive on the coast, the prospect of finding the supplies they need dwindles. But what they uncover may be far richer. A way to move the remaining survivors forward. But the people of the town don't see it that way. They want to protect what's theirs. With the militia closing in, they do the only thing they have left to do, fight.

Frank Miller's Sin City Volume 6: Booze, Broads, & Bullets (Fourth Edition) Frank Miller 2022-10-25 Stories of those lost in the gritty and crime-laden asphalt jungle are together in this collection from the acclaimed noir, presented at original size with new wrap-around cover art by Frank Miller. There are all kinds of dark business you might encounter on a cold night in Basin City, and the tales here paint a gloriously dirty portrait. Marv, the hulking ex-con with a condition, has to jog his memory about a certain Saturday night, and then on another evening, he's after something but he keeps his quest quiet—sometimes there's no need for words. Visiting Old Town, where all your dreams could come true, Gail and Miho demonstrate what happens when you don't play by their rules. Then, hired-hand Blue Eyes makes an important kill—a few, actually. A woman on the run finds a way out . . . A sucker with good intentions gets duped . . . Fat Man and Little Boy are seen on a couple of jobs, and being low-rent hit-men, you can guess what that means. And the dark deeds and dealings stay dark in a few more stories also included in this anthology. The fourth editions of Frank Miller's hit graphic novel series continue with Volume 6 *Booze, Broads, & Bullets*. This edition includes a fourteen-page expanded cover and art gallery featuring pieces from previous editions. As an anthology of short tales, it's a great jumping on point for new readers wondering what Sin City is all about—or longtime readers who can't get enough! FOR MATURE READERS

Hot Blooded Amanda Carlson 2013-04-23 The second novel in the Jessica McClain series is a full on action adventure featuring one angry Goddess and plenty of monsters, demons, and a few newly risen beasties... It hasn't been the best week for Jessica McClain. Her newly found

mate has been kidnapped by a Goddess hell-bent on revenge, and Jessica is positive she can save him. But being the only female werewolf in town comes with its own set of rules and powers... if only she understood them. Aided by two vamps, two loyal Pack members, and one very reluctant human, Jessica must rescue her man while coming to terms with what being a wolf really means.

Sucks To Be Me Kristen Painter 2020-02-18 [The Professor Woos the Witch](#) Kristen Painter 2015-10-09 Living in Nocturne Falls means being yourself, fangs, fur, and all. Pandora Williams is Nocturne Falls' most successful real estate agent ... and least successful witch. Yes, it sucks, but what can she do? Then a hot new neighbor shows up and suddenly her magic works. Very cool, but very suspect. Cole Van Zant likes things he can see and touch. So not magic. But when his teenage daughter insists she's a witch, he needs help. Thankfully, his sexy neighbor buys into all that hocus pocus. Spending time together reveals a supernatural surprise about who Cole really is. Could Pandora and Cole really be meant for one another ... or is their attraction too much to believe?

The Geek Job Eve Langlais 2017-12-22 Protect the geek, that's the job she's been hired for, but little did this werewolf expect to fall for a man of science. As a werewolf who hires out as a bodyguard, Lexie is used to danger. When she takes on a job that requires she protect a science geek, she doesn't expect her undercover girlfriend status to come with lots of pleasure. But a geeky human who pushes all her right buttons--and plays her body oh so right--isn't reason enough for her to break the rules and fall in love. Until now. Everything changes after an incident in the lab, but before she can decide if it's safe to give Anthony her heart, she has to help him survive. Warning: This is an erotic romance containing adult situations meant for open minded adults. Reader discretion is advised.

Strange Wine Harlan Ellison 2014-04-01 From "one of the great . . . American short story writers," comes a collection of dark fantastical fiction (The Washington Post). In the Locus Award-winning "Croatoan," a man descends into the sewers of New York City to confront the detritus of his irresponsibility. An "Emissary

from Hamelin” presents humanity with an ultimatum, or everyone on Earth will have a dear price to pay the piper. And in the title story—famously written by the author in the storefront window of a Santa Monica bookshop—Willis Kaw is convinced that he is an alien trapped inside an Earthman’s body, only to discover his suffering serves a purpose. *Strange Wine* includes these three stories and a dozen more unique visions from the writer the *Washington Post* hails as a “lyric poet, satirist, explorer of odd psychological corners, and purveyor of pure horror and black comedy.” Includes: “Croatoan,” “Working With the Little People,” “Killing Bernstein,” “Mom,” “In Fear of K,” “Hitler Painted Roses,” “The Wine Has Been Left Open Too Long and the Memory Has Gone Flat,” “From A to Z, in the Chocolate Alphabet,” “Lonely Women Are the Vessels of Time,” “Emissary from Hamelin,” “The New York Review of Bird Seeing,” “The Boulevard of Broken Dreams,” “Strange Wine,” “The Diagnosis of Dr. D’arqueAngel”

Aces Wild Amanda Carlson 2014-05-29 Welcome to Vegas. Home of the Sin City Collectors. The job description is easy: Bring the offending supernatural in to the Boss and don't ask any questions. Nevada Hamilton has learned a few things since becoming a Sin City Collector, and staying away from vampires is one of them. After botching her first Collection, the vamp getting away after causing as much damage as possible, she hasn't been assigned to another one since. But when she receives her next playing card, she's in for a surprise. Not only is a vampire her next target, but they've paired her up to make sure she gets the job done right. Refusing a Collection is not an option, but when she discovers who she's working with, making the mission as difficult as possible for her new partner becomes her top priority... Being a hellhound isn't enough to protect Jake Troubadour from Nevada Hamilton, no matter how thick his skin is. Finding out he has to work with the beautiful dhampir, after not seeing her for three years, is a low blow—but Jake is a professional. He takes his Collections as seriously as he does running his bar. He'll do whatever it takes to get the job done, but after that, he's out. No more chances for the girl who wrecked his bike and scarred his soul so long

ago. But even with his heart dead set against it, this hellhound quickly finds he's not immune to love after all.

Once Hunted, Twice Shy Mandy M. Roth 2017-10-17 Welcome to Everlasting, Maine, where there's no such thing as normal. Wolf-shifter Hugh Lupine simply wants to make it through the month and win the bet he has with his best friend. He's not looking to date anyone, or to solve a murder, but when a breathtaking beauty runs him over (literally), he's left no choice but to take notice of the quirky, sassy newcomer. She'd be perfect if it wasn't for the fact she's the granddaughter of the local supernatural hunter. Even if he can set aside his feelings about her family, Penelope is his complete opposite in all ways. Penelope Messing wanted to get away from the harsh reminder that her boyfriend of two years dumped her. Several pints of ice cream and one plane ticket to Maine later, she's ready to forget her troubles. At least for a bit. When she arrives in the sleepy little fishing town of Everlasting for a surprise visit with her grandfather, she soon learns that outrunning one problem can lead to a whole mess of others. She finds herself the prime suspect in a double homicide. She doesn't even kill spiders, let alone people, but local law enforcement has their eyes on her. The secrets of Everlasting come to light and Penelope has to not only accept that things that go bump in the night are real, but apparently, she's destined for a man who sprouts fur and has a bizarre obsession with fish sticks. Can they clear Penelope's name and set aside their differences to find true love? Genre: paranormal romance, shifter, werewolf, were-wolf, wolf-shifter, fated mates, witches, slayer, small town, second chance, vampire, kraken, mythical creatures, mystery,

The Dragon Finds Forever Kristen L. Painter 2017-03 Living in Nocturne Falls means being yourself, fangs, fur, and all. Monalisa Devlin is a Will O' The Wisp, a rare and potentially dangerous creature. She is magically compelled to obey her greedy father's evil commands-- until he finally agrees to free her in exchange for one, last mission. Once a champion on the supernatural MMA circuit, Ivan 'The Hammer' Tsvetkov retired after a devastating injury that left him unable to shift into his dragon form.

Ivan wants nothing more than to be left alone in Nocturne Falls... until an infuriating stranger shows up on his doorstep and demands that he rebuild his life. Posing as a rehab therapist seemed like the easiest way to get close to the smoldering recluse, but Monalisa quickly realizes that nothing about this mission is going to be easy.

The Last Field Party Abbi Glines 2022-11-22 The seventh and final book in the #1 New York Times bestselling Field Party series—a Southern soap opera filled with football, cute boys, and pick-up trucks—from USA TODAY bestselling author Abbi Glines. Five years after the Lawton High football team last took the field, everyone is gathering for a special event back home in Alabama. But coming back together brings up memories from the past. Special ones. Painful ones. Unforgettable ones. And for some, the reunion introduces an opportunity to confront unresolved issues. Can Asa and Ezmita continue to run away from what their hearts truly want? What about Nash and Tallulah—will their natural attraction to each other last when trust concerns rise to the surface? For West and Maggie, five years later means taking the next step—if they have the courage to face it. And a joyous celebration waits for Brady and Riley and their beautiful family. But family may be the point of contention when it comes to Gunner and Willa and their upcoming plans. Finally, there are Ryker and Aurora, who must continue to fight their way through insecurity and temptation. All these couples find themselves face-to-face with not only the past but a possible future worth celebrating. So as we catch up with the members of the Lawton High football team, the future still remains unknown. Will everyone get their happy endings? Or will they leave it all on the field as they step forward toward the days

ahead?

Jessica is going to Hell. After settling a fragile truce between the vampires, werewolves and witches, the last thing Jessica wants to do is face the demons head on. But when the Prince of Hell kidnapped her brother, he set into motion a chain of events that even Jessica doesn't have the power to stop. Now, Jessica must go into battle again. But Hell is a whole new beast -- new rules, more dangerous demons, and an entirely foreign realm. And when Jessica is dropped into the Underworld too soon, without protection or the help of her friends, she must figure out just how powerful she can be... or she will never make it out alive. The fourth Jessica McClain novel -- a fast-paced and irresistibly sexy urban fantasy series reminiscent of Kelley Armstrong and Patricia Briggs.

Why Forests? Why Now? Frances Seymour

2016-12-27 Tropical forests are an undervalued asset in meeting the greatest global challenges of our time—averting climate change and promoting development. Despite their importance, tropical forests and their ecosystems are being destroyed at a high and even increasing rate in most forest-rich countries. The good news is that the science, economics, and politics are aligned to support a major international effort over the next five years to reverse tropical deforestation. *Why Forests? Why Now?* synthesizes the latest evidence on the importance of tropical forests in a way that is accessible to anyone interested in climate change and development and to readers already familiar with the problem of deforestation. It makes the case to decisionmakers in rich countries that rewarding developing countries for protecting their forests is urgent, affordable, and achievable.

The Case for Marriage Linda Waite
2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com

Full Blooded Amanda Carlson 2012-09-11 In the vein of Kelley Armstrong and Patricia Briggs, Amanda Carlson's debut is a new urban fantasy that rewrites the werewolf myth. . . It's not easy being a girl. It's even harder when you're the only girl in a family of werewolves. But it's next to impossible when your very existence spells out the doom of your race. . . Meet Jessica McClain -- she just became part of the pack.

Phoebe Meadows Boxed Set Amanda Carlson 2018-01-18 Contains three complete novels:

STRUCK: Book 1 When Phoebe Meadows gets struck by a strange light in the stock room of Macy's, life as she knows it flies out the window. As if being hit by lightning isn't bad enough, she's accosted in the subway by a man with a missing hand, arrives home to find a raven on her kitchen counter, and her neighbor Ingrid shows up dressed like a gladiator, hell-bent on protecting her. Before Ingrid can shuttle her off to safety, Phoebe is kidnapped and tossed into one of the Nine Worlds, where she's quickly forced to come to terms with what she is: a Valkyrie. The only problem is, she has no idea what that means. After a narrow escape, she finds an unlikely ally in Loki's son, Fenrir. Together, the Valkyrie and the wolf must battle their way back to New York City and reach the Valkyrie stronghold where Ingrid is waiting for her. But with danger and obstacles at every turn, Phoebe might not live long enough to learn the full truth about who and what she really is...

FREED: Book 2 Phoebe Meadows has one thing on her mind: Free her mother. For the last month, Phoebe has been training in the Valkyrie stronghold readying for battle. But when she stumbles into a secluded valley after a day of grueling practice, she's given a dire prediction. Phoebe must leave the stronghold immediately with the aid of the giant, Junnal, to rescue her mother from the dark elves. If Phoebe fails, Leela will be transported to a place that can no longer be reached. Leaving Fen behind threatens to undo her, but Phoebe stays true to the mission. Along the way, she allies with the god Baldur and an old white elf mage. Together, they storm the realm, and with the help of an angry wolf and her Valkyrie sisters, they just might stand a chance to free the valiant shieldmaiden. But Phoebe soon learns that rescuing her mother comes with a price, and

she's about to lose something too precious to sacrifice... **EXILED: Book 3** Phoebe Meadows is on trial for her life. After freeing her half-brother, Baldur, Phoebe is set to stand before the Council in Asgard to answer for her actions. The threat of exile if she's found guilty looms, not to mention the added stress of meeting her real father for the first time. Upon entering Asgard, Phoebe discovers new allies in a half-brother she's never met as well as an oracle who is in possession of valuable information. A little added help couldn't have come at a better time, because when Phoebe is tossed into an unknown realm, she's only armed with Gundren, a jewel, and her wits. When Loki shows up, all bets are off. The trickster god throws a wrench in Phoebe's plans and kidnaps Fen, her only ally. And just when she thinks she sees the light at the end of the tunnel, Phoebe finds she has to defeat one last obstacle: The Norns. And they aren't planning to go down without a fight...

Dead Man Talking Jana DeLeon 2017-10-10 Welcome to Everlasting, Maine, where there's no such thing as normal. Meteorologist Zoe Parker put Everlasting in her rearview mirror as soon as she had her college degree in hand. But when Sapphire, her eccentric great-aunt, takes a tumble down the stairs in her lighthouse home, Zoe returns to the tiny fishing hamlet to look after her. Zoe has barely crossed the county line when strange things start happening with the weather, and she discovers Sapphire's fall was no accident. Someone is searching the lighthouse but Sapphire has no idea what they're looking for. Determined to ensure her aunt's ongoing safety, Zoe promises to expose the intruders, even though it means staying in Everlasting and confronting the past she thought she'd put behind her. Dane Stanton never expected to see Zoe standing in the middle of her aunt's living room, and was even more unprepared for the flood of emotion he experiences when coming face to face with his old flame. Zoe is just as independent and determined as he remembered, and Dane knows she won't rest until Sapphire can return to the lighthouse in peace, so he offers to help her sort things out. Armed with old legends, Sapphire's ten cats, and a talking ghost, Zoe has to reconcile her feelings for Dane and embrace her destiny before it's too late.

Lost In Las Vegas Kristen Painter 2021-01-06
Blood Rights Kristen Painter 2011-10-01 Gothic fantasy meets vampire fiction in this debut novel from Kristen Painter - full of politics, intrigue, and blood. Born into a life of secrets and service, Chrysabelle's body bears the telltale marks of a comarré -- a special race of humans bred to feed vampire nobility. When her patron is murdered, she becomes the prime suspect, which sends her running into the mortal world...and into the arms of Malkolm, an outcast vampire cursed to kill every being from whom he drinks. Now, Chrysabelle and Malkolm must work together to stop a plot to merge the mortal and supernatural worlds. If they fail, a chaos unlike anything anyone has ever seen will threaten to reign.

A Confusion of Princes Garth Nix 2012-05-15 Garth Nix, bestselling author of the Keys to the Kingdom series and Shade's Children, combines space opera with a coming-of-age story in his YA novel A Confusion of Princes. Superhuman. Immortal. Prince in a Galactic Empire. There has to be a catch.... Khemri learns the minute he becomes a Prince that princes need to be hard to kill—for they are always in danger. Their greatest threat? Other Princes. Every Prince wants to become Emperor and the surest way to do so is to kill, dishonor, or sideline any potential competitor. There are rules, but as Khemri discovers, rules can be bent and even broken. There are also mysteries. Khemri is drawn into the hidden workings of the Empire and is dispatched on a secret mission. In the ruins of space battle, he meets a young woman, called Raine, who challenges his view of the Empire, of Princes, and of himself. But Khemri is a Prince, and even if he wanted to leave the Empire behind, there are forces there that have very definite plans for his future.

Global Education Monitoring Report 2020 UNESCO 2020-07-07 This publication assesses

progress towards Sustainable Development Goal 4 (SDG 4) on education and its ten targets, as well as other related education targets in the SDG agenda. It addresses inclusion in education, drawing attention to all those excluded from education, because of background or ability. The report is motivated by the explicit reference to inclusion in the 2015 Incheon Declaration, and the call to ensure an inclusive and equitable quality education in the formulation of SDG 4, the global goal for education. It reminds us that, no matter what argument may be built to the contrary, we have a moral imperative to ensure every child has a right to an appropriate education of high quality.

Total Enhancement Amanda Carlson 2020-12-15
 CIU Agent Mina Kane has her lamella gloves full in the year 2105. Mina Kane has been on assignment undercover for eighteen insufferable months trying to box up a sticky-fingered hacker. She's eager for this op to be finished-not only because the boredom of telework is literally draining the life out of her, but she's desperate to be rid of the fresh-faced rookie. Agent Adams is driving her straight into the stratosphere with his wide-eyed enthusiasm and lack of sufficient training. Luckily for Mina, her next case is a solo classified. Someone at Total Enhancement Pet Center, where pet owners pay for their furbabies to be pampered, is using their access to attach encrypted data onto animals. Mina's job is to uncover who it is. But what she discovers at Total Enhancement goes much deeper than just encryptions. The plan changes from passive to action faster than a world currency coin can spin on its edge. One thing is for sure-catching bad guys in 2105 is never boring.

Wild Fire Alisa Woods 2016-04-17 Troy fights fires for a living... but the hot fire of a cool scientist is nothing short of magic. Troy Hartman is a firefighter and EMT who fought his way out of the shifter gangs as a kid. He's been watching the Wilding family in the news as they battle the Wolf Hunter, and he's been itching to join the cause. When the Wilding research facility gets firebombed, he's first on the scene... and first to rescue a beautiful blue-eyed white wolf. Only this is no ordinary shifter. Zoe Wilding is a genetic researcher with a secret she'd rather not have, but with Agent Smith's immorally-acquired experimental data on shifters, that may change.

If she can just isolate the gene that expresses her dangerous white wolf, she'll finally have a normal life. One that might include a man, if not a mate. Then her lab blows up. All five of the Wilding families have now been targeted by the Wolf Hunter, and the entire cadre of white wolves--Grace, Noah, Kaden, Owen, and now Zoe--have joined together to find him. Troy's all-in with Daniel Wilding for the hunt, but the closer Troy gets to Zoe, the more his wolf wants her... only she's hell-bent on destroying the magic inside her. Can he win over this gorgeous girl and get her to accept the beauty of her inner wolf... or will finding the Wolf Hunter destroy the wild fire inside the woman he's starting to love? **WILD FIRE** is a complete novel with HEA, the fifth in the Wilding Pack Wolves series. All stories are standalone, but for maximum reader enjoyment, start with the Riverwise Private Security trilogy. Contains scorching hot shifters, alpha heroes, and sexy witches.

Not a Day Care Everett Piper 2017-08-07 "You must read this book. Everett Piper is a man of courage and conviction. He stands nearly alone as an academic leader confronting the ideological fascism of the snowflake rebellion. His call for intellectual freedom must be heard."—GLENN BECK What has happened to the American spirit? We've gone from "Give me liberty, or give me death!" to "Take care of me, please." Our colleges were once bastions of free speech; now they're bastions of speech codes. Our culture once rewarded independence; now it rewards victimhood. Parents once taught their kids how to fend for themselves; now, any parent who tries may get a visit from the police. In **Not a Day Care**, Dr. Everett Piper, president of Oklahoma Wesleyan University and author of the viral essay, "This Is Not a Day Care. It's a University!," takes a hard look at what's happening around the country--including the demand for "safe spaces" and trigger warnings at universities like Yale, Brandeis, and Oberlin--and digs in his heels against the sad and dangerous infantilization of the American spirit.

Dead Man's Hand Kristen Painter 2014 Welcome

to Las Vegas, home of the Sin City Collectors. The job description is easy: Bring the offending supernatural in to the Boss and don't ask any questions. Demi-goddess and muse Seraphina Kostos has been tasked with bringing her employer's wayward teenage daughter home. Not the hardest job Seraphina's ever had - until her boss calls in a favor in the form of extra help. The man who arrives is unlike any she's ever encountered. Sin City Collector Ares rarely goes on typical Collections. Mostly because his skill set involves taking lives, not saving them. As the son of a vampire and a grim reaper, his touch holds the ability to reap souls. Sure, it makes for a lonely existence, but he's learned to deal with that. Or has he? Beautiful Seraphina has him questioning everything he's ever known. Living the rest of his life alone suddenly seems impossible. But what kind of future is there with a woman he can't touch or hold or kiss? What's Collected in Vegas, stays in Vegas... *All Sin City Collectors Novellas are stand alone novellas, all set within the world of the SCC. Our goal is for you to sit back and enjoy the ride as each author presents their unique story. The world of the Sin City Collectors is big. Places and characters will overlap, so be sure to look for your favorites and stay tuned for more novellas!

The Flavor Bible Andrew Dornenburg
2008-09-16 Widely hailed as one of the most influential cookbooks of all time, this is the timeless classic guide to culinary creativity and flavor exploration, based on the wisdom of the world's most innovative chefs Eight years in the making, The Flavor Bible is a landmark book that has inspired the greatest creations of innovative cooks and chefs by serving as an indispensable guide to creativity and flavor affinities in today's kitchen. Cuisine is undergoing a startling historic transformation: With the advent of the global availability of ingredients, dishes are no longer based on geography but on flavor. This radical shift calls for a new approach to cooking -- as well as a new genre of "cookbook" that serves not to document classic dishes via recipes, but to inspire the creation of new ones based on imaginative and harmonious flavor combinations. The Flavor Bible is your guide to hundreds of ingredients along with the herbs, spices, and other seasonings that will allow you to coax the

greatest possible flavor and pleasure from them. This astonishing reference distills the combined experience of dozens of America's most innovative culinarians, representing such celebrated and transformative restaurants as A Voce, Blue Hill, Café Atlántico, Chanterelle, Citronelle, Gramercy Tavern, the Herbfarm, Jardinière, Jean Georges, Le Bernardin, the Modern, and the Trellis. You'll learn to: explore the roles played by the four basic tastes -- salty, sour, bitter, and sweet -- and how to bring them into harmony; work more intuitively and effectively with ingredients by discovering which flavors have the strongest affinities for one another; brighten flavors through the use of acids -- from vinegars to citrus juices to herbs and spices such as Makrut lime and sumac; deepen or intensify flavors through layering specific ingredients and techniques; and balance the physical, emotional, mental, and spiritual aspects of cooking and serving an extraordinary meal. Seasoned with tips, anecdotes, and signature dishes from the country's most respected chefs and pastry chefs, The Flavor Bible is an essential book for every kitchen library. For more inspiration in the kitchen, look for The Vegetarian Flavor Bible and Kitchen Creativity.

Forever Eve Newton 2013-06 Liv Nelson has a history that spans a millennium. She has everything a girl could want. A global empire, money, power, eternal youth, beauty, a car for every day of the week, a wall full of shoes, and men who worship and desire her - Just some of the perks of being a thousand year old Vampire. But with the good comes bad, and she realizes that even with eternal life she may not be able to escape the demons created by her past. Caught in a web of love and desire, she is torn between the three men with whom she could share forever. Constantine, her maker, Devon, the immoral she made, and Cole, a human actor who has also stolen her heart. And what might the rest of the WereBear population make of Paxton's publicity? Start reading now to find out! This is a Paranormal WereBear romance that turns into the adventure of a lifetime for the hero and the heroine. Strap yourself in and enjoy the ride!

The Catastrophic History of You And Me Jess Rothenberg 2012-02-21 An addictively page-turning romance for fans of *Before I Fall* and *The Fault in Our Stars* Brie is the "biggest, cheesiest, sappiest romantic" who believes that everyone will find their perfect someone. So when Jacob, the love of Brie's life, tells her he doesn't love her anymore, the news breaks her heart--literally. But now that she's D&G (dead and gone), Brie revisits the living world to discover that her family has begun to unravel and her best friend has been keeping an intimate secret about her boyfriend. Somehow, Brie must handle all of this while navigating through the five steps of grief with the help of Patrick, her mysterious bomber-jacketed guide to the afterlife. But how is she supposed to face the Ever After with a broken heart and no one to call her own? "The debut is a fast, twisty, highly dramatic read about the turbulent nature of love."--Romantic Times "Rothenberg explores what happens in the afterlife when you aren't quite done with your life."--San Francisco Chronicle "The funniest, sweetest, most heartfelt, sigh-worthy and oh-so-romantic story I've ever read. You'll love it!"--Cynthia Leitich Smith, New York Times bestselling author of *Eternal* and *Blessed*

Love, Lucas Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California

with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Perfect Plant Amanda Carlson 2020-12-15 In 2105, bad guys love gardening. Mina Kane's next undercover op is of the green thumb variety. Tasked to break into a penthouse at the tip-top of a megascraper and airmeld incriminating data on a hydro-shipping mogul, Mina must first pose as an apt gardener who knows a thing or two about roses. The only problem is the rookie's along for the ride and he's a pro at making everything more difficult than it has to be. Infiltrating the inner sanctum proves to be time consuming, and Agent Adam has a chance to shine, but that's not all Mina's in for. Her baby brother is in some trouble, and Vincent Kramer, the colonel-in-arms of the French Protectorate, is missing. An encrypted

locator shows up at Mina's door, but her childhood-pal-turned-international-heartthrob, is still nowhere to be found. This op is one solar flare away from being the biggest, deadliest one yet.
