**A Soul Reclaimed** Lou Guzzo 2000-12 How one young woman finally broke the trap set by male traditions and found freedom and true sexual gratification in her life. A Soul Reclaimed should be a trumpet call for all young women and children who are abused and dehumanized by brutal, self-indulgent men. This is a book that should be read by men, as well as by women.

**Divine Names on the Spot** Thomas Galoppin 2021-12-23 Ancient Greek and Semitic languages resorted to a large range of words to name the divine. Gods and goddesses were called by a variety of names and combinations of onomastic attributes. This broad lexicon of names is characterised by plurality and a tendency to build on different sequences of names; therefore, the Mapping Ancient Polytheisms project focuses on the process of naming the divine in order to better understand the ancient divine in terms of a plurality in the making. A fundamental rule for reading ancient divine names is to grasp them in their context "time and place, a ritual, the form of the discourse, a cultural milieu"; a deity is usually named according to a specific situation. From Artemis Eulochia to al-Lat, al-'Uzza and Manat, from Melqart to eoemy rock in the biblical book of Psalms, this volume journeys between the sanctuary on Mount Gerizim and late antique magical practices, revisiting rituals, hymnic poetry, oaths of orators and philosophical prayers. While targeting different names in different contexts, the contributors draft

theoretical propositions towards a dynamic approach of naming the divine in antiquity.

Good Enough Leanne Brown 2022-01-11 From the author of the bestselling Good & Cheap, a cookbook with self-care at its heart. Leanne Brown acknowledges that feeding yourself is hard, and that it is almost impossible to find the energy to work for yourself when you don't think you are worth it. With these everyday recipes, she provides a reminder that it's OK to lose perfectionism and find pleasure in "good enough" cooking.

Prestigious. Powerful. Privileged. This is Fullbrook Academy. Jules Devereux just wants to keep her head down, avoid distractions, and get into the right college, so she can leave Fullbrook and its old-boy social codes behind. Jamie Baxter feels like an imposter at Fullbrook, but the hockey scholarship that got him in has given him a chance to escape his past and fulfill the dreams of his parents and coaches, whose mantra rings in his ears: Don’t disappoint us. As Jules and Jamie’s lives intertwine, and the pressures to play by the rules and to keep the school’s toxic secrets, they are faced with a powerful choice: remain silent while others get hurt, or stand together against the ugly, sexist traditions of an institution that believes it can do no wrong.

**Case Studies in Child, Adolescent, and Family Treatment** Craig W. LeCroy 2014-12-31 A detailed look at how to apply clinical theories to social work practice Thinking through real-life cases to make connections between theory and practice is a crucial element of social work education. Now in its Second Edition, *Case Studies in Child, Adolescent, and Family Treatment* contains a wide range of cases described in rich detail by practitioners, scholars, and researchers. Chapters represent contexts and approaches across the social work spectrum, so students will get to glimpse into the clinical experience of a full range of professionals. With chapter overviews, case sketches, study questions, and references for further study, this book makes an invaluable reference for social work students. Learning by example is the best way to develop the skill of clinical reasoning. Editors Craig W. LeCroy and Elizabeth K. Anthony—two distinguished scholars in the field of social work—have brought together an impressive roster of contributors who add their unique voices and clinical perspectives into their insightful case descriptions. Organized into five thematic sections, *Case Studies in Child, Adolescent, and Family Treatment, Second Edition* covers the most important areas in social work practice, including: Child welfare and adoption Individual and group treatment School and community settings Family treatment and parent training With the updates in the Second Edition, students will learn the most current lessons in social work practice from a diverse range of scholars, researchers, and practitioners in the field. In contexts ranging from child welfare to homelessness, this book provides the critical thinking skills students need to understand how social work theory applies in clinical environments.

**Ancient Terracottas from South Italy and Sicily in the J. Paul Getty Museum** Maria Lucia Ferruzza 2016-01-25 In the ancient world, terracotta sculpture was ubiquitous. Readily available and economical—unlike stone suitable for carving—clay allowed artisans to craft figures of remarkable variety and expressiveness. Terracottas from South Italy and Sicily attest to the prolific coroplastic workshops that supplied sacred and decorative images for sanctuaries, settlements, and cemeteries. Sixty terracottas are investigated here by noted scholar Maria Lucia Ferruzza, comprising a selection of significant types from the Getty’s larger collection—life-size sculptures, statuettes, heads and busts, altars, and decorative appliques. In addition to the comprehensive catalogue entries, the publication includes a guide to the full collection of over one thousand other figurines and molds from the region by Getty curator of antiquities Claire L. Lyons. Reflecting the Getty’s commitment to open content, *Ancient Terracottas from South Italy and Sicily in the J. Paul Getty Museum* is available online at [www.getty.edu/publications/terracottas](http://www.getty.edu/publications/terracottas) and may be downloaded free of charge in multiple formats. *Strat-O-Matic Fanatics* Glenn Guzzo 2005-01 This is the true story behind the creation--and re-creation--of America’s most popular sports board game ever--Strat-O-Matic. Growing up, a young Hal Richman dreamed of producing a game that accurately recreated entire Major League Baseball seasons. More than a tale of a single man and his company, *Strat-O-Matic Fanatics* shows the power of a dream. It details Hal Richman’s youth; the first, tenuous years of Strat-O-Matic; numerous episodes of conflict and opposition; and the devotion and addiction of the hobby’s fans. Along the way, author Glenn Guzzo reveals a universal story of determination, love, loyalty and honesty in the face of seemingly unbeatable odds that has made Strat-O-Matic an icon in the board and computer game industry.

*Music Therapy Assessment* Eric G. Waldon 2018-09-21 As the use of music therapy becomes more widespread so too does the need for detailed assessment. Standardised assessment tools, and knowledge of how to integrate assessment into clinical practice, are needed for teaching, research and clinical purposes all around the world. Based on the findings of members of the International Music Therapy Assessment Consortium (IMTAC), this comprehensive anthology collects the latest research and clinical practice methods about music therapy assessment. Looking at the available assessment tools holistically, the book covers the major assessment models currently used in clinical practice, and details each model’s setting and motivation, development, theoretical background, and how to implement it in a clinical setting.

*Native Gardens* Karen Zacarias 2019 Pablo, a high-powered lawyer, and doctoral candidate Tania, his very pregnant wife, are realizing the American dream when they purchase a house next door to community stalwarts Virginia and Frank. The hilarious results guarantee no one comes out smelling like a rose.

*Making The Met, 1870-2020* Andrea Bayer 2020-03-23 Published to celebrate The Metropolitan Museum of Art’s 150th anniversary, *Making The Met, 1870-2020* examines the institution’s evolution from an idea—that art can inspire anyone who has access to it—to one of the most beloved global collections in the world. Focusing on key transformational moments, this richly illustrated book provides insight into the visionary figures and events that led The Met in new directions. Among the many topics explored are the impact of momentous acquisitions, the central importance of education and accessibility, the collaboration that resulted from international excavations, the Museum’s role in preserving cultural heritage, and its interaction with contemporary art and artists. Complementing this fascinating history are more than two hundred works that changed the very way we look at art, as well as rarely seen archival and behind-the-scenes images. In the final chapter, Met Director Max Hollein offers a meditation on evolving approaches to collecting art from around the world, strategies for reaching new and diverse audiences, and the role of museums today.

*Witnesses to History* Lyndel V. Prott 2009-01-01 This Compendium gives an outline of the historical, philosophical and ethical aspects of the return of cultural objects (e.g. cultural objects displaced during war or in colonial contexts), cites past and present cases (*Maya Temple Facade*, *Nigerian Bronzes*, *United States of America v. Schultz*, *Parthenon Marbles* and many more) and analyses legal issues (bona fide, relevant UNESCO and UNIDROIT Conventions, Supreme Court Decisions, procedure for requests etc.). It is a landmark publication that bears testament to the ways in which peoples have lost their entire cultural heritage and analyses the issue of its return and restitution by providing a wide range of perspectives on this subject. Essential reading for students, specialists, scholars and decision-makers as well as those interested in these topics.

**Plain Dealing: Cleveland Journalists Tell Their Stories** Dave Davis 2018-08-31 "Plain Dealing" is a book of essays by 25 accomplished Cleveland-area journalists. It's a book of stories, many never told before. It's a first-person account of journalism in Cleveland, life in the newsroom, the issues and events these journalists covered, and the characters they worked with and met. The stories begin in the 1950s and go up to 2013, covering the post-World War II era through the days when Cleveland was a three daily newspaper city, then two, then one. The book ends with the mass layoffs and resulting decline that ushered in the "digital-first" age.

**Roman Architecture and Urbanism** Fikret Yegül 2019-07-31 Since antiquity, Roman architecture and planning have inspired architects and designers. In this volume, Diane Favro and Fikret Yegül offer a comprehensive history and analysis of the Roman built environment, emphasizing design and planning aspects of buildings and streetscapes. They explore the dynamic evolution and dissemination of architectural ideas, showing how local influences and technologies were incorporated across the vast Roman territory. They also consider how Roman construction and engineering expertise, as well as logistical proficiency, contributed to the making of bold and exceptional spaces and forms. Based on decades of first-hand examinations of ancient sites throughout the Roman world, from Britain to Syria, the authors give close accounts of many sites no longer extant or accessible. Written in a lively and accessible manner, Roman Architecture and Urbanism affirms the enduring attractions of Roman buildings and environments and their relevance to a global view of architecture. It will appeal to readers interested in the classical world and the history of architecture and urban design, as well as wide range of academic fields. With 835 illustrations including numerous new plans and drawings as well as digital renderings.

**Theory and Research on Small Groups** R. Scott Tindale 2006-04-11 Research on small groups played an important role in the early formulation of social psychology. By the 1970s, however, the field had lost the interest of most social psychologists. Theory and Research on Small Groups reintegrates that work back into the mainstream of social psychology. The more recent 'issues-oriented' approach has not only resulted in many interesting findings-it has also applied basic social psychological theory in new ways and, moreover, led to new theoretical developments that deserve more attention. This volume, which features the work of esteemed researchers from around the world, is a bountiful resource worthy of notice by all social psychologists.

**Good and Cheap** Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook

that every food lover with a conscience will embrace.

**Trade in the Ancient Mediterranean** Taco Terpstra 2019-04-09 How ancient Mediterranean trade thrived through state institutions From around 700 BCE until the first centuries CE, the Mediterranean enjoyed steady economic growth through trade, reaching a level not to be regained until the early modern era. This process of growth coincided with a process of state formation, culminating in the largest state the ancient Mediterranean would ever know, the Roman Empire. Subsequent economic decline coincided with state disintegration. How are the two processes related? In Trade in the Ancient Mediterranean, Taco Terpstra investigates how the organizational structure of trade benefited from state institutions. Although enforcement typically depended on private actors, traders could utilize a public infrastructure, which included not only courts and legal frameworks but also socially cohesive ideologies. Terpstra details how business practices emerged that were based on private order, yet took advantage of public institutions. Focusing on the activity of both private and public economic actors—from Greek city councilors and Ptolemaic officials to long-distance traders and Roman magistrates and financiers—Terpstra illuminates the complex relationship between economic development and state structures in the ancient Mediterranean.
