Two Trains Running August Wilson 2019-08-06 From the Pulitzer Prize-winning author of *Fences* and *The Piano Lesson* comes a "vivid and uplifting" (Time) play about unsung men and women who are anything but ordinary. August Wilson established himself as one of our most distinguished playwrights with his insightful, probing, and evocative portraits of Black America and the African American experience in the twentieth century. With the mesmerizing *Two Trains Running*, he crafted what Time magazine called "his most mature work to date." It is Pittsburgh, 1969, and the regulars of Memphis Lee's restaurant are struggling to cope with the turbulence of a world that is changing rapidly around them and fighting back when they can. The diner is scheduled to be torn down, a casualty of the city's renovation project that is sweeping away the buildings of a community, but not its spirit. For just as sure as an inexorable future looms right around the corner, these people of "loud voices and big hearts" continue to search, to father, to persevere, to hope. With compassion, humor, and a superb sense of place and time, Wilson paints a vivid portrait of everyday lives in the

shadow of great events.

Fences and Ma Rainey's Black Bottom August Wilson 2020-02-27 Two stunning, intensely powerful modern classics about race in 20th century America from the legendary Pulitzer Prize and Tony Award-winning playwright August Wilson. In *Ma Rainey's Black Bottom*, the great blues diva Ma Rainey is due to arrive at a run-down Chicago recording studio with her entourage to cut new sides of old favourites. Waiting for her are the black musicians in her band - and the white owners of the record company. A tense, searing account of racism in jazz-era America that the *New Yorker* called 'a genuine work of art'. *Fences* centres on Troy Maxson, a garbage collector, an embittered former baseball player and a proud, dominating father, in 1950s Pittsburgh. When college athletic recruiters scout his teenage son, Troy struggles against his young son's ambition, his wife, who he understands less and less, and his own frustrated dreams.

Second Language Acquisition Susan M. Gass 2001 This book is a thorough revision of the highly successful text first published in 1994. The authors retain the multidisciplinary approach that presents research from linguistics, sociology, psychology, and education, in a format designed for use in an introductory course for undergraduate or graduate students. The research is updated throughout and there are new sections and chapters in this second edition as well. New chapters cover child language acquisition (first and second), Universal Grammar, and instructed language learning; new sections address issues, such as what data analysis doesn't show, replication of research findings, interlanguage transfer (multilingual acquisition and transfer), the aspect hypothesis, general nativism, connectionist approaches, and implicit/explicit knowledge. Major updates include nonlanguage influences and the lexicon. The workbook, *Second Language Learning Data Analysis, Second Edition*, makes an ideal accompaniment to the text.

Women's Issues in Margaret Atwood's The Handmaid's Tale David Erik Nelson

2011-10-26 *The Handmaid's Tale* depicts a dystopian society in which a religious dictatorship assumes control of the United States, turning the country into the Republic of Gilead. In this new society, women are stripped of autonomy and often relegated to roles such as servant or childbearing maid. Since the book's publication in 1985, it has become a popular point of reference to guard against government interference in women's rights and issues. This informative edition takes a critical look at Atwood's life and writings, with a specific focus on key ideas related to *The Handmaid's Tale*.

The book collects a series of essays pertaining to feminism, sexism, and religious fundamentalism, creating points of discussion for readers that are both modern and relevant. The text also discusses contemporary women's issues and presents perspectives on topics such as surrogacy, same-sex marriage, and modesty.

Theories of Personality Duane P. Schultz 2001 This revision of the Schultz's popular text surveys the field, presenting theory-by-theory

coverage of the major theorists who represent the psychoanalytic, neopsychoanalytic, life-span, trait, humanistic, cognitive, behavioral, and social-learning approaches, as well as clinical and experimental work. Where warranted, the authors show how the development of certain theories was influenced by events in a theorist's personal and professional life. This thoroughly revised Seventh Edition now incorporates more examples, tables, and figures to help bring the material to life for students. The new content in this edition reflects the dynamism in the field. The text explores how race, gender, and culture issues figure in the study of personality and in personality assessment. In addition, a final integrative chapter looks at the study of personality theories and suggests conclusions that can be drawn from the many theorists' work.

Civil War Day by Day E.B. Long 2012-06-06 "In all the vast collection of books on the American Civil War there is no book like this one," says Bruce Catton. Never before has such a stunning body of facts dealing with the war been gathered together in one place and presented in a coherent, useful, day-by-day narrative. And never before have statistics revealed human suffering of such heroic and tragic magnitude. The text begins in November, 1860, and ends with the conclusion of hostilities in May, 1865, and the start of reconstruction. It is designed to furnish the reader not only with information, but to tell a story. Here, in addition to the momentous events that are a familiar part of our history, the daily entries recount innumerable lesser military actions as well as some of the other activities and thoughts of men great and unknown engaged in America's most costly war: · May 5, 1864—a private in the Army of Northern Virginia writes at the beginning of the Battle of the Wilderness, "It is a beautiful spring day on which all this bloody work is being done." · May 6, 1864—Gen. Lee rides among his men and is shouted to the rear by his protective troops. · April 30, 1864—Joe David, five-year-old son of the Confederate President, dies after a fall from the high veranda of the White House in Richmond. · April 14, 1865—President Lincoln's busy day includes a Cabinet meeting where he tells of his recurring dream of a ship moving with great rapidity toward a dark and indefinite shore; that night Mr. Lincoln attends a performance of a trifling comedy at Ford's Theatre, "Our American Cousin".

Understanding August Wilson Mary L. Bogumil 1999 In this critical study Mary L. Bogumil argues that Wilson gives voice to disfranchised and marginalized African Americans who have been promised a place and a stake in the American dream but find access to the rights and freedoms promised to all Americans difficult. The author maintains that Wilson not only portrays African Americans and the predicaments of American life but also sheds light on the atavistic connection African Americans have to their African ancestors.
