Selected Works of John Calvin: Letters, Part 2, 1545-1553 Jean Calvin 1983

Letters of Jean Calvin 2017-11-18 Letters of John Calvin by Jean Calvin. John Calvin, the profound scholar, the exact theologian, the enlightened statesman, and the eminent Reformer, exerted an influence on the age in which he lived, which, instead of being diminished by the lapse of three centuries, must continue and increase while the great truths, involving the present and future interests of mankind, which he so lucidly and energetically enforced, shall be incorporated with human enlightenment and progress. The results of his indefatigable labours, as published to the world in his Institutes, Commentaries, and Sermons, are familiar to the students of theology; but his correspondence, so illustrative of his personal character, and the history of the times in which he lived, has never, until now, been collected and made accessible to the public. The Rev. Dr. Jules Bonnet, with the approbation of the French government, has with untiring and enthusiastic ardour, explored the hidden archives, and with such gratifying success, that four volumes of Calvin's Letters are now ready for the press.
